TO: ALL OWNERS AND OPERATORS OF MD HELICOPTERS.

SUBJECT: NEW STANDARD WARRANTY STATEMENT

The purpose of this letter is to inform all owners and operators of the new standard helicopter warranty of 2 years or 2,000 hours, prorated. This warranty applies to new helicopters and parts and does not supercede or replace existing warranties. The new warranty is fully described in the revised Warranty & Exchange Program Information pamphlet (CSP-A-2), dated 1 November 2000, or later. The Warranty & Exchange Program Information pamphlet now includes information regarding the component exchange program and a labor allowance chart specifically for the MD900 series helicopter.
